## Report Day

### Parent-Form Teacher-Student Meetings Wednesday, 11 March

The main objective of these meetings is for parents, their students and the form teacher to look at the year ahead and to set goals for the student.

Reading and Maths test data will be available as will NCEA information and results which, together with a report showing how the student has settled into the year, can be used to plan a successful year for each student. The report can be collected from the College Careers Centre when parents come in for the meeting.

Form teachers are available in 5 blocks of time through the day from 9.00am until 8.00pm. Students have appointment sheets to return to their form teachers.

Normal classes do not run and students are not required to attend school except for their meeting.

Further information is available from the College office (09) 420 8640.

## Achievers Awards Evening

7pm, Tuesday 31 March  
Kaipara College Hall

The evening will celebrate the success of our Year 12 and 13 students in the NCEA of last year.

Students will receive a badge acknowledging their NCEA achievements. The badge will show which NCEA Level they have passed and include any endorsements that they earned.

The evening will be predominantly student led.

We cordially invite you and your child to attend. Students have a form to return to their form teacher. #

## Kaipara Leos Club

Leos is a international service club that invites young people between the ages of 12 and 18 to become involved in supporting their local community. Although sponsored by the Helensville Lions Club the Leos take responsibility for their own activities and projects. The first meeting for this year will be at 4.30pm to 6pm, 8 April in the meeting room of the Memorial Hall, Helensville. ALL WELCOME. Phone 021605330 for more information.

## Musicians at the A&P Show

College musicians provided music for the Helensville A & P Show which took place on Saturday. Kaipara's contribution to the event was organised by Year 13 music captain Alex Lusty. Six senior music students performed two and a half hours of music.

Show-goers enjoyed some of the students' original compositions as well as covers ranging from classic rock to contemporary pop from the three College duos: Imogen Roberts & Alex Lusty, Beth Stewart & Madeline Bowman and Teone Wilkinson & James Ander.

## Try reading this

**A Short History of Nearly Everything**

by Bill Bryson

No matter what questions you have, about anything, this book will answer them.

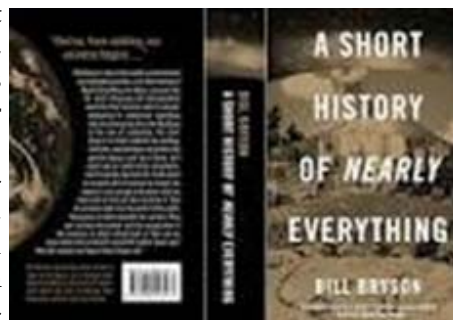

A perfect combination of wit, knowledge, and style, Bill Bryson has an extraordinary way of turning

his book into a spider-web, in which you are trapped.

The perfect book for anyone who seeks knowledge.

I thoroughly recommend that you read this book.
