RYDA

Eighty-four Year 12 students went to a road safety education programme sponsored by Rotary this week. The programme runs students through six workshops that aim to make young drivers more alert and more skilful drivers.

The workshops were: Speed & Stopping, Hazards & Distractions, Personality Factors, Rights & Responsibilities and After the Crash.

The session that most students talked about was Genevieve's Story. A true and quite emotional count by a young driver about a road crash and its aftermath.

The students got a lot out of the day and their feedback was overwhelmingly positive. The organisers enjoyed presenting it too. They said:

"I would like to commend your students for their positive attitude and behaviour, all our facilitators commented on what a nice group they were and I personally would like to acknowledge them for making Rosmini College feel so welcome; it was so good that they were able to join in."

Meet our new DP

Our new Deputy Principal, Mr Jonathan Hardy, started with us on Monday. He was welcomed at a powhiri where staff and students from Liston College spoke about his work at Liston and then ceremoniously passed him over to Kaipara College.

He has spent his first week getting to know the College, spending time in classrooms, meeting the students and speaking with staff.

Mr Hardy comes from Manchester. He's a soccer fan and, yes, he's a Man United fan. (Sigh!) He arrived in New Zealand in 2002 to teach at Liston College, where he became Head of the Humanities Faculty and the Senior Dean.

The first difference he has noted? There are students here who are not boys!
