I am Rebecca by Fleur Beale

Would you disobey your leader? Imagine you had to follow a set of rules all your life. Set in New Zealand. You have no choice. You *will* be married at sixteen. Rebecca is a child born into the children of faith. It is a religion that holds *your* freedom under a set of rules. Vanity is a sin. There will be no mirrors, portraits or photos in the house. 'I am Rebecca' is the sequel to 'I am not Esther'. It is an interesting new novel by Fleur Beale.
