Road Race: Juniors Rule!

The annual College Road Race was won by Year 9 student, Jordan Cowper who turned in a superb performance to dominate the race. The first girl home was also a Year 9 student; Danielle Binks who came 11th overall.

We cannot remember when the Race was last won by a Year 9 student and we are certain that never before have Year 9 students won both sections of the race. Yesterday we saw two outstanding performances.

Daniel Calder was the first senior boy home in second place in the race overall while Anna Lawton was the first senior girl home in 18th place.

One hundred and ninety students completed the approximately 8 km race on the traditional course that leaves the school towards Rautawhiri Park, turns up the Inland Road hill to Wishart Road returning to the College via Garfield Road and Rautawhiri Road.

Two Places still left on OPC Trip

Year 10 OPC still require two more students to make up the 20 going to the National Park for a week of challenges and fun. The next option will be to offer the places to any Year 11 students that missed out from going last year. Then it will be offered to the first Year 9 students that missed out on their trip (although they do have next year). If you are thinking of going and haven't made the move yet don't leave it any longer or you're going to miss out.

If you are a Year 11 student and you are interested see Mr Smith for more information.
