## Peace Song is Tops

Another great Music win for a Kaipara student! Katie Ashworth, Year 11, won the Auckland section of the Peace Song competition with her song, "Baby Blue".

The Peace Song Competition came into being in 2008 which was the 21st anniversary of the signing of legislation making New Zealand nuclear-free. The song is judged 50% on lyrics and 50% on music/composition. It has two regional first prizes, one for the Auckland City region and one for the rest of New Zealand.

Katie won the opportunity to record her song at The Lab recording studio in Mt Eden with award winning audio engineers and a five week trip to Japan!

*Congratulations!*

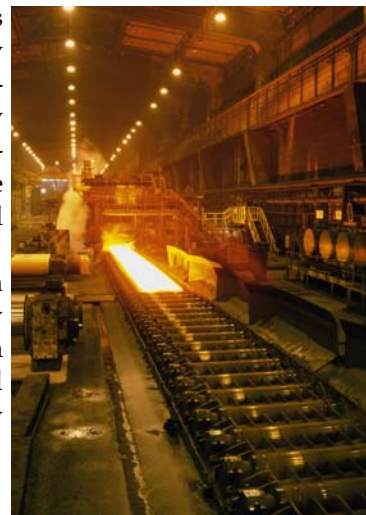

## Engineers at Glenbrook

Senior engineering students were visitors to the New Zealand Steel Mill at Glenbrook this week and saw first-hand how New Zealand is the only place in the world to take black sand and turn it into steel.

The tour guides made a point of mentioning how impressed they were with the maturity, manners and interest demonstrated by the group.

Well done, guys!

## Year 9 / 10 OPC Trips – Last Places

Year 10 students are going to Tongariro OPC in the first week of December. There are 15 bookings for 20 places so there are only another 5 left. The cost will be about \$750.

Year 9 students are going to OPC on Great Barrier at the same time. This trip will cost about \$800. There are 23 bookings for the 30 places. Be in quick to get one of the last 7 spots on this brilliant trip.

This is a rare opportunity to reward hard working students at the end of the year!

Contact Mr Smith ASAP. Entries close very soon.

**Staff win Dodgeball!**

Staff played students at Dodgeball in the Gym on Wednesday. Given the age of the staff they did have to ring in a couple of senior students but it was a comprehensive win for the teachers, three games to nil. Life in the old dogs yet! Great idea and well organised, Roy!
