Whakamana Taiohi Maori

The accomplishments of College students of Maori descent were on display before whanau and friends in the Hall last night.

Year 9 and 10 students were presented with certificates and awards by our Head students, Tara Mansell-Sawyers and Kevin Calis. Year 11 and 12 awards were presented by former Head Boy, Victor Grimshaw and the Year 13 awards by John Grant.

Musicians, Merenia Paraone, Taryn Wishart, played between the awards and Nathaneal Graham and Keanna Phillipps sang a moving song in memory of TK Beddgood.

The evening was organised by Whanau Atawhai who produced the wonderful BBQ (thanks for the meat, Wiki) before the ceremony and the dessert afterwards. Thank you.

Another Music Win for Kaipara

Year 11 Music Captain Bianca Bailey has won the prestigious David Richwhite Lyric Award for her song "Flowers". Judge Jan Hellriegel said: "I thought the lyrics were original and quirky but more importantly the imagery and what the song was telling me was bigger than the sum of the words. They came to life when joined with the melody. The song has many layers and I could hear metaphors for life."

The song was recorded at Neil Finn's Roundhead Studios and will be on the Lion Foundation SongComp album due out in November. Bianca spent an additional day at Roundhead Studios playing drums for Kaipara College funk band Elizabeth Street. We are very proud of all her success and can't wait to see what next year has in store for her!

You are invited to a special night of music.

Tertiary Study Allowances

Year 13 students who plan on tertiary study next year are strongly encouraged to apply for their Student Allowance or Loan by 16 December.

StudyLink expects around 180,000 students to apply for their Student Allowance or Loan for the 2016 academic year. Applying by 16 December means StudyLink can get everything sorted so that the student receives their funding from the start of their course.

Students do not need to have their NCEA results or have locked down all their plans in order to apply. Their application can be updated as things are confirmed. It is more important to allow enough time for all the steps in the application process to be completed.

Students can find out more about applying for a student loan and allowance on the StudyLink website.

Pop a reminder in your calendar, or even better - go straight to studylink.govt.nz to apply now.
