Whakamana Taiohi Maori

The accomplishments of College students of Maori descent and of students who have contributed significantly to the Maori life of the school were on display before whanau and friends in the Hall last night.

Students were presented with certificates and awards by our Head students, by speakers Casey Toia and Karen Murphy and by local kaumatua, Donna Tapurau, Richard Nahi and Waata Richards. There was a magnificent performance by the kapa haka from Pomaria School taught by former student Hone Heki Rankin and music by three Kaipara students.

The top Taumata awards went to Lauryn Iti, Troy Studholme, Autumn Fenton, Alan Parone and Marc George.

The evening is organised by Whanau Atawhai and was supported by the local Bluelight crew who produced the wonderful supper. Thank you.

The night's MCs:
