Road Race

The Road Race has become a strong annual tradition over the years. The mid-winter event sees about half the students participate in a race which has a short flat section before climbing up Inland Road to Wishart and then back to College via Garfield and Rautawhiri Roads. The fields have got larger and the traffic heavier. For the first time the race was a City Council event with professional road traffic management involved.

It was keenly contested. The Inland Road hill is the place where the runners sort themselves out. Race winner Billy Bowman had a lead at the top which he extended coming down the hill. He won comfortably in a great time. The senior girls, were dominated by the trail runners Ellice Protheroe and Rachel Meadows. The top three junior girls ran excellent times and Year 9 student, Chicayne Prior won the Junior Boys but was also 4th overall; an outstanding performance.

Soccer Champions

The 1st XI Girls' Soccer team are North Harbour Senior A Champions. The final game against Orewa was as tight as it gets. 1-1 at full time. 1-1 after extra time. 3-4 after a penalty shoot out, meant the girls lost the game 1-2. But this put them level in the competition with Orewa and so goal for were counted. Both teams were the same. Goals against were counted. Kaipara had fewer goals against them than Orewa. Champions! What an excellent season girls! Congratulations to coach Leonie Masters.
